Full-Stack WordPress Developer

Description

Wikimotive is looking for an expert Web Developer with advanced skills in WordPress, PHP, HTML5, CSS3, & JavaScript.

The position will have the individual working with existing custom themes and plugins, built with existing WordPress frameworks and best practices. Upcoming work will include the creation and deployment of custom post types, data layer implementations and custom UI.

This is a FULL-TIME in-office position.

We are willing to negotiate on compensation based on experience.

Experience: Preferred 3 to 5 years of professional web development experience.

Wikimotive is a fast-growing digital marketing and software company. We are developing, deploying and implementing cutting-edge technology in the digital automotive market.

We are looking for people who love to learn new things, grow within their jobs and have a degree of flexibility that is needed in a fast growing company. We look to promote from within when a person has the interest and aptitude to grow within the company. Our culture is hard working and very casual, new ideas and flip flops are welcome, as long as they come with a great work ethic! Our ideal candidates are smart, creative, strong-willed and have an appreciation for sarcasm and humor. We look forward to the opportunity to meet the right people and bring them into the family.

Responsibilities

Create complex, custom website templates that are fast-loading, easy to navigate, and are cross-browser and mobile compatible.

Must be able to create and maintain multiple websites at the same time to standard, while working under deadline.

Must be familiar and able to implement WordPress best practices, with a focus on Search Engine Optimization and Core Web Vitals.

Required Skills: PHP / MySQL / HTML / CSS / JavaScript / WordPress / Custom WordPress Plugins that integrate to 3rd party API's / Bootstrap / Speed Optimization Upgrades

Qualifications

Application Requirements:

All applications should be submitted with a current resume and cover letter stating why you feel as though you would be a great fit for the Wikimotive team.
