Marketing Generalist | Entry Level Digital Marketing

Description

Do you feel limited by a job that feels like a dead-end, in a region where real opportunities feel few-and-far-between? If you're ready to thrive with the support of a passionate team, a promising future in digital marketing awaits you in Peterborough, NH.

About Wikimotive

Wikimotive is a boutique digital marketing agency serving clients across North America. We pride ourselves on being both results-driven and culture-centric. As such, an ideal candidate would be one who contributes on multiple fronts--offering both the required skill-sets and a willingness to be a part of a great team. They will be motivated, proactive, embrace expectations of accountability, and have a strong commitment to excellence in all that they do.

What Does a Marketing Generalist Do?

A Marketing Generalist at Wikimotive is responsible for formatting, digital publication, image selection, and SEO optimization of content on our client's websites, as well as aiding editing efforts as needed. When we say generalist, we mean that you will be exposed to many career paths within the digital marketing space. There will be a lot to learn, but our team will be with you every step of the way. At Wikimotive, we will help you decide where your talents and drive take you to become a dedicated specialist. We grow our talent from the inside, which makes us a great first step for getting into digital marketing. TL;DR You don't have to know it all before you come here, we'll train you.

Additional Considerations

As this is an in-person entry-level position, we expect Marketing Generalists to shadow Specialists at Wikimotive to discover where they would like to learn more so that we can build out a fulfilling career path. It's not just a job, it's the start of a journey at Wikimotive.

To support our growing multimedia presence, Wikimotive's offices are utilized for video and audio production as well as photography during regular office hours. As such, team members may be visible in the background of such content. Wikimotive team members are also invited to take a more prominent role in such content based on their ability, comfort level, and desire to do so.
